

A WEEK OF COLLEGE & CAREER EXPLORATION

DiscoverU puts students at the center and helps them see the path to realizing their dreams. It's an exciting week for our community to come together and support kids, from pre-K to 12th grade, in exploring career and college options.

Through fun activities in school and in the community, students throughout Seattle and South King County will have opportunities to explore their futures.

2019 THEME DAYS

Each day of DiscoverU Week will have a theme the whole community can participate in!

MONDAY, OCTOBER 14

#DiscoverLocalJobs: Washington State employers are expecting 740,000 job openings by 2021. Let's make sure our students are aware of these local opportunities.

TUESDAY, OCTOBER 15

#LeadYourCommunity: Today is all about building a better community. Introduce students to community-oriented work or connect them to leadership opportunities in their neighborhoods and outside of the classroom.

WEDNESDAY, OCTOBER 16

#ClassroomToCareer: Have students ever asked you, "Why do I need to learn this?" Take time to show them how classroom content connects to careers in our economy.

THURSDAY, OCTOBER 17

#CollegeGearDay: Show school pride by wearing your college's gear and sharing your college knowledge!

FRIDAY, OCTOBER 18

#FlashForwardFriday: What do students see when they look into their futures? To cap off DiscoverU week, set up activities for students to share their visions.
